Name _____ Breed _____

Veterinarian _____ Vet Phone _____

Is this dog aggressive to people? _____ Has it bitten a person? _____ Specify _____

Is this dog aggressive to other dogs? _____ Specify _____

Be sure to read the building member rules on back.

Liability Waiver

I (we) acknowledge that if this application for the entry of this dog is made available to me (us) for training in the classes of the Columbia Canine Sports Center LLC (hereafter referred to as CCSC) that I (we) agree that this facility has the right to refuse the entry of this dog and/or they reserve the right to dismiss the dog and myself for cause which CCSC deems to be sufficient.

In consideration of the acceptance of this and the opportunity to train my dog(s), I (we) agree to hold the CCSC and its employees harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog or dogs while in or upon the premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for such claim, and I (we) further agree to hold the aforementioned parties harmless from any claim for damage or injury to the dog or myself, either physically or mentally, whether such loss, disappearance, theft, damage or injury, be caused or alleged to be caused by the negligence of the CCSC while in or upon the premises of the CCSC's classes or grounds.

The terms of this agreement bind the parties for the current period of training, and all subsequent classes/training/events in which they hereafter participate.

Name on Credit Card (please print) _____

Mastercard Visa Number: _____

Expiration _____ Signature: _____

Building Member Rules

Dues are due by the 5th of each month. Keycodes will be changed on the 6th of each month. Lost swipe cards are assessed a replacement fee of \$10 per key.

Smoking. Because of the danger of dogs picking up and ingesting discarded cigarette butts, there is no smoking anywhere on the CCSC property. If you smoke inside your car, discard the cigarette in the car's ashtray before exiting. Do not extinguish on the CCSC parking lot.

Parking. The three parking spots between buildings 1 and 2 are reserved for the owners. You may unload in the circle drive but please park in the lower lot. There are three handicapped parking spots to the west of building, please only use these if you have a handicapped license plate or hang tag.

Classes and Events. Though building members have access to the building at all times, Classes and events take precedence. Reserved class time includes any time prior to class that an instructor needs to set up the ring. An extra obedience ring will almost always be available. Whether or not an agility ring will be available depends on class scheduling, please check each session's schedule. A calendar will be available to show special events.

Run-Thru Wednesdays. The main agility ring, obedience, rally, and a conformation ring will be reserved for Wednesday Run-Thrus beginning at 5:00 p.m. (events begin at 6:00 p.m.). Semi-Annual and Annual members can use their free punch cards for Obedience, Rally, or Agility run-throughs. Conformation is held by the Columbia Kennel Club and punch cards are not valid. Additional punch cards can be purchased at any time for \$50 for 12 runs, or individual runs may be purchased for \$5 each.

Ring setups. Sometimes the ring will be set for a class or series of classes. Look for signs posted near the ring. Feel free to use the equipment, but if you move something please place it back into position before leaving. Some instructors will come in before their scheduled class time to set up a ring. At that time, the ring is considered closed.

Teaching. There will be no teaching of classes or giving private lessons by members or non-members without the express permission of the CCSC owners. Anyone found instructing without permission will lose their building membership.

Respecting others. If several individuals are using the ring at once during non-class time, each person should yield the floor on an alternating basis so all can work in a given period. Do not use other members crates, toys, or equipment without permission.

Work safely. When working in the building on an individual basis, you are responsible for your own safety and that of your dog. You work at your own risk, and CCSC is not liable for any accidents. Some contact equipment is extremely heavy and should not be adjusted when alone! It is advisable to bring a cell phone in case you or your dog needs help.

Agility Equipment. Agility equipment is for the use of those taking agility classes at CCSC and dogs with agility experience. Dogs with no agility experience are not allowed on agility equipment. Please do NOT put food, toys, or objects into tunnels.

Children. Supervised children are very welcome at CCSC—learning to train a dog is a wonderful way to teach responsibility and instill a sense of fun and accomplishment. However, the agility arena and obedience rings are not a playground. Please keep children away from tunnels and agility obstacles. They are not child-safe. When classes are in session, please do not allow children to play/scream/run through the building—it's distracting to the dogs and their owners and not conducive to learning.

Equipment. If you get a piece of equipment out, use weave wires, etc. please put it away when finished. If you or your dog damages a piece of equipment, contact Kathy, Ginger, or Andrea as soon as possible.

Clean up. Throw away your soda cups and recycle the cans. Do not leave treats in the main building. Take them with you or store in the refrigerator in building 2. We don't want to encourage mice. If you dirty a dish or cup, wash it! If you or your dog has dropped toys on the training floor, put them away. There will be clean up supplies throughout the building, Clean up after your dog!

Ring rentals. If a person has rented a ring, they have exclusive use of that ring. However, building members may work in other rings (i.e., if the agility ring is rented, the obedience rings may be used and vice versa).

Leaving. When you leave the building please make sure everything is shut and locked and all lights (minus the emergency lights) are out.
