Proudly present:  
"Attitude is Everything"  
Obedience Seminar with Celeste Meade

*"Without **want-to** in the dog, **have to** will ALWAYS dwindle down attitude in your dog's performance."* Celeste's UPBEAT, motivational method of training combines embracing the distractions NOT correcting them. Celeste believes that the ring should be the most enjoyable place for the dog. It should be fast fun with a series of obstacles with motivational "pick-ups" in between each exercise. So many people forget to train "the in between sequence" Celeste feels that time in between the exercises is a gift given to you by AKC to motivate, reconnect, reduce stress, regain attention & set-up for the next exercise. She believes in "Pre-Cues". She teaches how to create drive in the dog along with how to control it. Celeste not only knows how to reduce stress in the dog but she creates confidence in the handler that every dog needs for a proper team partnership. Her methods have proven successful in many breeds including her competitive, fast, upbeat, precise Bloodhounds.

As a professional dog trainer, Celeste Meade has had a successful career competing nationally and training dogs for over 20 years. She has achieved numerous titles in obedience, conformation, sheep herding and tracking while earning number one national rankings and multiple high in trials, championships and numerous coveted "Dog World Awards." Celeste has earned a place in the Bloodhound breeder's Hall of Fame, breeding over 35 champions in only 4 litters. Celeste is noted for her ability and love of training the most unusual and "so called" non-obedient, difficult breeds. The most well known being the Bloodhound. Her first, "Tucker" (CH. Nimrod Frankie's Tucker UDT, Can CDX) was the first & ONLY bloodhound of all time to receive OTCH points along with multiple High in Trials. Yet another one of her Bloodhound partners, "Ryder" (Ch. The Nimrod's Rainbo Ryder CD) had multiple first places, High in Trials and "Sunday's Best" at a Gaines Classic with a score of 199 1/2, being the highest scoring obedience Bloodhound of ALL TIME!
