There are also a Motel 6 and Red Roof Inn in Columbia which accept dogs (no fees) – however, there have been complaints, both regarding service and/or safety, at these locations. Therefore, we have not been recommending them. If you do decide to stay at one of these establishments, please let us know how your stay was so we can update our recommendations.

## EXHIBITOR INFORMATION

All dogs must be on a short leash and under control while on CCSC grounds. RETRACTABLE LEASHES ARE NOT PERMITTED. There is NO SMOKING in this facility or anywhere on the grounds. If you must smoke you will need to do so, and dispose of the butts, inside your vehicle. This is a City ordinance.

Please pick up after your dog and dispose of waste in appropriate containers outside the building.

Depending on weather, working participants should be able to crate out of their vehicles if desired. There will also be crating areas in the main training building. Please bring a mat for underneath all crates. There is no air conditioning in the large building, but it is fan cooled. The small building does have air conditioning. There are restrooms on site.

Bitches in Season are allowed at this camp but will be crated away from the other dogs and expected to work in pants.

There are no special accommodations for aggressive/reactive dogs at this camp. All dogs are expected to be able to work around people and other dogs.

## COVID-19 Guidelines

At this time, we anticipate that we will still be following COVID-19 safety protocols. This may change, but please be prepared to wear a mask while on CCSC property.

## FOOD

Lunch will be provided for all participants.

There are also many excellent restaurants in Columbia; ask us for recommendations.

## VIDEO/PHOTOGRAPHY

Individuals may videotape their own training sessions as long as it is not disruptive to other campers.
